

ISSN : 0888-5885

Linking ISSN (ISSN-L): 0888-5885

Key-title: Industrial & engineering chemistry research

Title proper: Industrial & engineering chemistry research.

Other variant title: Industrial and engineering chemistry research

Other variant title: I & EC research

Country: United States

Medium: Print

Last modification date: 20/03/2024

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for the USA
