

ISSN : 0928-4931

Linking ISSN (ISSN-L): 0928-4931

Key-title: Materials science & engineering. C, Biomimetic materials, sensors and systems (Print)

Title proper: Materials science & engineering. Biomimetic materials, sensors and systems.

Other variant title: Materials science and engineering. C, Biomimetic materials, sensors and systems

Country: Netherlands

Medium: Print

Last modification date: 16/06/2012

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for The Netherlands
