

ISSN : 1089-5639

Linking ISSN (ISSN-L): 1089-5639

Key-title: The journal of physical chemistry. A

Title proper: The journal of physical chemistry.

Other variant title: Molecules, spectroscopy, kinetics, environment & general theory

Other variant title: Stereodynamics of chemical reactions

Other variant title: Dynamics, kinetics, environmental chemistry, spectroscopy, structure, theory

Other variant title: Physical chemistry.

Other variant title: Molecules, spectroscopy, kinetics, environment, and general theory

Country: United States

Medium: Print

Last modification date: 12/07/2023

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for the USA
