ISSN : 1611-3349

Linking ISSN (ISSN-L): 0302-9743

Key-title: Lecture notes in computer science (Internet)

Title proper: Lecture notes in computer science.

Other variant title: Computer communication networks and telecommunications (Online)

Other variant title: Lecture notes in computer science. Advanced research in computing and software science (Online)

Other variant title: Advanced research in computing and software science (Online)

Other variant title: Lecture noes in computer science. Image Processing, Computer Vision, Pattern Recognition, and Graphics (Online)

Other variant title: Image Processing, Computer Vision, Pattern Recognition, and Graphics (Online)

Other variant title: Lecture notes in computer science. Programming and software engineering (Online)

Other variant title: Programming and software engineering (Online)

Other variant title: Lecture notes in computer science. Computer communication networks and telecommunications (Online)

Other variant title: Information systems and applications, including internet/web, and HCI (Online)

Other variant title: Lecture notes in computer science. Security and cryptology (Online)

Other variant title: Lecture notes in computer science. Information systems and applications, including internet/web, and HCI (Online)

Other variant title: Lecture notes in artificial intelligence (Online)

Other variant title: Lecture notes in computer science. Lecture notes in artificial intelligence (Online)

Other variant title: FoLLi publications on logic, language and information (Online)

Other variant title: Lecture notes in computer science. FoLLi publications on logic, language and information (Online)

Other variant title: Lecture notes in computer science. Lecture notes in bioinformatics (Internet)

Other variant title: LNCS. Lecture notes in computer science (Internet)

Other variant title: Security and cryptology (Online)

Country: Switzerland

Medium: Online

Last modification date: 04/08/2020

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for Germany
