

ISSN : 1689-9210

Linking ISSN (ISSN-L): 1689-9210

Key-title: Archives of Computational Materials Science and Surface Engineering

Title proper: Archives of Computational Materials Science and Surface Engineering.

Country: Poland

Medium: Print

Last modification date: 20/11/2014

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for Poland
