

ISSN : 2326-3008

Linking ISSN (ISSN-L): 2326-3008

Key-title: Journal of computational intelligence and electronic systems (Print)

Title proper: Journal of computational intelligence and electronic systems.

Other variant title: Computational intelligence and electronic systems

Other variant title: JCIES

Other variant title: J. Comput. Intell. Electron. Syst.

Country: United States

Medium: Print

Last modification date: 06/02/2021

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for the USA
