

ISSN : 2643-6736

Linking ISSN (ISSN-L): 2643-6736

Key-title: Advances in robotics & mechanical engineering

Title proper: Advances in robotics & mechanical engineering.

Other variant title: Advances in robotics and mechanical engineering

Other variant title: ARME

Country: United States

Medium: Online

Last modification date: 06/02/2021

Type of record: Confirmed

ISSN Center responsible of the record: ISSN National Centre for the USA
